### Student speak

Vicky Kumar,  
Class of 2016

*I get very good experience here which I cannot get elsewhere; the machines, the teaching system, the environment.*

Rakesh,  
final year student

*I was doing diploma but there were no practicals and not enough details. Here I see every student is important.*

*It's very nice here. my English is improving, my maths is improving, attendance is 97%.  
Ajay Jadeja, final year student*

*Learn from the teachers- they know a lot. make full use of the machines. You will never get this opportunity again.  
Arun, Class of 2016*
